☐ Adoption Application

☐ Foster Application

Thank you for your interest in retired racing greyhounds. Greyhounds make wonderful companion animals and will give you many years of love and devotion. A positive experience for both dog and family is possible only when the match between hound and home is appropriate. Consequently, this application is designed to assess potential adopters and foster families. Our goal is to ensure that everyone who brings a greyhound into their home understands the responsibilities as well as the joys of having a greyhound.

The people you encounter during the application process have worked in greyhound adoption for many years and have seen both happy and sad endings. Our mandate is to do what is in the best interest of the greyhound. Before considering adoption, please know that greyhounds can live 12 to 14 years, if not longer, making this a serious long-term commitment. The dogs rely on us to place them into appropriate, loving, permanent homes. All adults in your household must agree to this commitment and sign the application.

Despite having lived in foster homes, newly adopted dogs may need help adjusting to their new homes. Some are social, others are shy. Some may initially make housebreaking errors or need time to adjust to a new schedule. Most must be crated while owners are away for their safety and the wellbeing of their new home. It is very traumatic for a dog to be returned by a family once it has settled into its new home. No pet should EVER be considered disposable. Furthermore, note that the greyhound is not for everyone. They are not watchdogs; and they are inside dogs and should not be kept outdoors. Not all of them are safe with cats or other small animals. Most are good with children, others are not.

The total adoption donation for a dog one to seven years old is \$225 (of which \$150 is tax deductible). A deposit of \$100 is required when submitting the application; payable by check OR Paypal via our website. The remaining \$125 of the adoption donation is due when the greyhound is adopted. [For senior (eight years or older) or Special Needs dogs the total adoption donation is \$100. For a puppy (11 months or younger) the total adoption donation is \$300] There is no fee for foster applications. Please complete all fields. Attach additional sheet(s) if needed.

Your adoption donation includes:

- Neuter/spay
- All vaccinations (DHLPP and rabies)
- Heartworm test, as well as any required treatment
- Dental cleaning, including extractions if necessary
- Micro-chipping
- A leash with two collars — one martingale, one breakaway
- Turnout muzzle
- *Adopting the Retired Racing Greyhound for Dummies*, by Lee Livingood
- Membership in GPA-Central Texas for one year
- Ongoing information and support from GPA-Central Texas

If you have any questions about this application, please contact your placement team member at the number he or she provided, or GPA-Central Texas at (855) 4GoFAST / (855) 446-3278. You can also e-mail the Adoption Coordinator at Adopt@gpa-centex.org.

Adoption / Foster Application

To ensure the health and safety of the greyhound, the following Adoption Requirements must be complied with explicitly. Failure to do so can result in GPA-Central Texas reclaiming the greyhound.

Adoption Requirements

1. Your greyhound must be kept on a leash when outdoors, unless it is in a fenced area. NEVER trust your greyhound not to run away.
2. I understand that Greyhounds are indoor dogs and will keep my Greyhound as an indoor pet.
3. I am aware that greyhounds can never be tied on a run or chain, ever, and I agree to never tie my greyhound.
4. You must keep a collar with identification tags on your dog at all times. Tags that are required to be on your greyhound are (1) GPA-Central Texas ID tag; (2) ID tag with greyhound's name, address, and phone number; (3) vet/rabies tag; (4) microchip tag; and (5) pet registration (if required by city of residence).
5. If your greyhound should become lost you are REQUIRED to notify GPA-Central Texas immediately. We can help find your dog. (855) 4GO FAST ext.1
6. If you ever decide you can no longer care for or do not want your greyhound, you must notify GPA-Central Texas before taking any action. You may not give your greyhound to anyone else without written consent of GPA-Central Texas and you must never release the dog to a veterinarian, research facility, permanent blood donor colony, "pound," or other animal shelter. Adoption of a greyhound from GPA-Central Texas is with the understanding that the dog will be kept as a pet and never used for racing, breeding, or laboratory research, or in a permanent colony used for blood donation. Becoming a voluntary blood donor, however, is encouraged.
7. You agree to take the dog to your veterinarian for an annual visit, to include necessary vaccinations and tests for parasites. You also agree to maintain a regular schedule for heartworm prevention, as recommended by your veterinarian. You agree that regular dental examination and cleaning is also your responsibility.

I have read and agree to abide by the above Adoption Requirements. I also understand that to complete the processing of this application, representatives of GPA-Central Texas will contact me for a telephone interview and a home visit in order to assist in matching the needs of the greyhound with the needs of the household. By submitting this application I agree to such a scheduled visit and confirm that all members of the household will be present for the visit. I also agree to allow a representative of GPA-Central Texas to contact my personal references and veterinary references. I certify that all information provided on this application is true and correct. If I qualify and receive a greyhound from GPA-Central Texas, I will accept full responsibility for the care and safety of the greyhound.
